

STOP BARBARIC BETS

Paddy Power - Stop the bloody bullring bets!

Attn: Paddy Power Branch Manager

Dear Manager,

I wish to register my absolute disgust that the Paddy Power company is accepting bets on the number of ears carved off the heads of bulls at Spanish bullfighting events.

Removed after the tortured bulls collapse in agony, the ears are kept by the cruel matadors as grisly trophies. Sometimes the animals are still alive when the ears are hacked off and this can be seen in video footage at www.youtube.com/icabs

As bets are being placed on Paddy Power's Spanish website, bulls are stumbling around bullrings with blood spurting from their backs and spraying from their noses and mouths. There is no justification whatsoever for Paddy Power making money from this disgusting animal abuse.

Paddy Power - Stop the bloody bullring bets NOW!

Yours sincerely,
