

# Wildlife NO life.

Do you enjoy peaceful walks through the countryside and the thrill of seeing wildlife in their own habitat?

Imagine happening upon a foxhunt as a beautiful red fox is savagely disembowelled & slaughtered before your very eyes by trained hounds & terriers, while people on horseback cheerily hoot and holler. This is the very bloody reality of fox hunting.

Isn't it time to end this DESTRUCTION of life?

For information on how we can put outdated activities in the past where they belong, go to [www.banbloodsports.com](http://www.banbloodsports.com) today!
